

iCan pray

Have each family member (that is able to) read John 3:16 aloud.

Say: God loves us, he sent his Son to save us, and if we believe in Jesus, we'll have eternal life with him. Just so you really understand this verse, fill your name in the blanks below.

“For God loved _____ so much that he gave his one and only Son, so that if _____ believes in him, _____ will not perish but have eternal life.”

Think of someone to tell about Jesus. Make a card by copying the verse above BUT writing that person's name in the blanks. Mail your card, or deliver it in person!

Get a local phone book and look at all the names inside.

- ✝ Can you find some names that you know?
- ✝ What the longest name you can find? The funniest?

God loves all those people as much as he loves each member of your family. Today as you go about your day look at each person you see and remember God loves him (or her)! Then at dinner discuss these questions:

- ✝ How did learning that God loves everyone change how you think about people?
- ✝ Sometimes we call the news about Jesus the Good News. Why is it such good news?
- ✝ What can our family do to make sure that others hear the Good News about Jesus?

Pick names from the phone book, and pray for them. Ask God to make sure those people understand how much he loves them. Then thank God for loving everyone.
